Programs

Each week, the summer program will feature a fun theme with a variety of activities designed to support a well-rounded child. There will be games and physical activities both outside and in the gymnasium. Arts and crafts, computers, books, and games will round out the day. Children are offered choices whenever possible. A field trip or interesting visitor will provide additional enrichment every week. Kids Club starts at 6:30 a.m. and ends at 6:00 p.m., and runs June 6 through August 20, 2019 (closed July 4).

Food

Kids Club will provide all children with a morning and afternoon snack as well as drinks throughout the day. Students should bring their own lunch with them.

Staffing

Two Site Coordinators are assigned to each location so that a coordinator is present during the entire day. Childcare assistants are hired to work directly with the children.

Costs and Deposits

The cost of Kids Club Summer Session is \$125 per week, which includes a Kids Club t-shirt. Students attending fewer than five days per week will be charged \$30 per day. If students are not already registered in Kids Club there is an annual, non-refundable registration fee of \$25 per student. In addition, a deposit of the \$100 non-refundable activity fee is required to hold a place for your child.

Assistance and Discounts

Kids Club offers limited financial assistance to families that qualify for the school free or reduced lunch program. For free or reduced summer billing information please speak with your summer Site Coordinator.

Kids Club fees are due in advance at the beginning of each week. Please have payment ready at morning drop-off. A ten percent discount is available to parents who pay for the entire summer session in advance. Families electing this option must pay in full by June 3.
